Op HH hosts a free catered monthly dinner (3rd Thursday, 1800 hours) in the dining room of the Spinal Cord Injury Center at James A Haley to honor the patients and their families. The dinner is sponsored by local civic leaders, veterans organizations, defense contractors, local firms, and individuals in the community. Please visit: www.OperationHelpingHandTampa.com for more in-depth information.

Op HH, founded in 2004, is dedicated to supporting and enhancing the lives of severely wounded and injured active duty military recovering at James A Haley Veterans' Hospital. Because recovery/rehabilitation is boosted by the love and support of family members, Op HH provides assistance (transportation, meals, comfort items, etc.) allowing immediate family members to be with their severely wounded and injured loved ones.

Op HH was awarded the Chairman of the Joint Chiefs Outstanding Public Service Award in 2015
